

Friendship Home

Safe shelter and so much more

Why Doesn't She Just Leave?

"I was scared. He told me every day for ten years that he would kill me if I ever tried leaving. If I ever left the house and he caught me leaving he would put me in the basement and torture me. No, I didn't think about leaving."

These words came several years ago from Angel, a former resident of Friendship Home.* The seriousness and significance of Angel's story has not faded over time. Every day in our city, women are scared their batterers will follow through with their threats.

Saturday, August 6, SueAnn Bedlion was murdered by her abuser, who then shot himself. It was the twelfth domestic violence related murder in Lincoln in the past ten years.

Over that same period of time, you've made it possible for Friendship Home to keep over 11,000 women and children safe from harm.

Leaving a relationship where there is domestic violence comes at great risk. You know that. Angel knows that. The family of SueAnn Bedlion knows that. She was trying to

"He told me every day for 10 years that he would kill me if I ever tried leaving. No, I didn't think about leaving."

leave and Jerry Crook killed her so she could not. The risk of physical injury and death skyrocket 75 percent when a woman tries to leave a batterer.

Having a safe and confidential place to go, as well as trained Advocates to explain the risks and need for vigilance when attempting to leave an abusive partner are crucial to saving women's lives.

Friendship Home is that safe place to go. Advocates and Case Managers monitor women's safety on a daily basis. They help women create safety plans so they can leave thoughtfully. The shelters' locations are kept secret so he cannot follow through on his threats.

For the past thirty-three years, you have ensured women, who are scared for their lives and for their children's lives, have Friendship Home. You've given them hope when they've had very little. You've saved their lives.

When domestic violence Advocates hear the question, "why doesn't she just leave," they think of the lethality of leaving, the financial constraints battered women face, the children involved, the deep ties that bind, the pressure from others, and instead they ask, "why doesn't he stop?"

*Visit www.friendshiphome.org/fh-services to watch a video with more testimony from Angel and other survivors of domestic violence.

cricket
wireless

Thank You
Cricket Communications!

A lifeline in a caring community! These words grace the brochure about Friendship Home's services. One partner, Cricket Communications, has put these words into action.

The cell phones Cricket provides to Friendship Home Case Managers and Advocates allows them take and make calls, whatever the situation;

A woman who was able to snatch a few minutes to let them know she is okay and still wants to come into shelter;

Ringling the Food Bank to request a food basket for a family leaving shelter;

A discussion with a member of the Coordinated Community Response team about a safety risk for a particular family;

Telling a donor where they can drop off the items they collected at their drive;

A woman who wants to talk about the gun her abuser just bought and is scared about what might happen.

Cricket's generous donation is a lifeline for the Staff at Friendship Home and the women and children they are helping to keep safe.

safe quarters

Open Your Door to 1,700 Friendship Home Volunteers

October 2nd

Safe Quarters began as a vision of a dedicated volunteer. Nine years later, thousands of volunteers and friends have continued that vision, that all homes are ones of love, safety and support.

Welcome Friendship Home Safe Quarters volunteers on October 2 and help us continue this tradition.

2010 Safe Quarters Team Young

Children's Program, Supported

From time to time Friendship Home is surprised to learn a donor has made the ultimate gift; a bequest. This spring we received notification that a donor left \$10,000 to Friendship Home in her will. This generous bequest allows Friendship Home to provide services to children in shelter through the Children in Shelter Project.

We know that a child who witnesses or suffers domestic violence is at increased risk of

becoming a victim or perpetrator of intimate partner violence as an adult. We also know that children who experience or witness domestic violence are at increased risk for school failure. Intimate partner violence impairs a child's concentration and ability to learn, resulting in anxiety and absence.

At Friendship Home, with your help, we are able to dedicate time and attention to the welfare of the most innocent of victims through our Children's Program. Advocates work intensively with children in shelter; mentoring them through their stay and using various strategies, such as support groups and art therapy. These highly trained specialists also help mothers understand behaviors they may see in their children and empower them through strategies that allow them to deal with these behaviors non-violently.

Thanks to this single contributor's wish to make a difference in the community, even after she was gone, we can break the cycle of violence, surrounding children with lessons of hope, understanding and acceptance.

Contact Friendship Home's Finance Director at amilat@friendshiphome.org or 402-437-9317 if you would like information on including Friendship Home in your will.

Thank You Verizon!

They did it again!

Over the past three years, Verizon has shown their spirit of giving over and over. They have collected school supplies, volunteered at and sponsored events, put together Mother's Day baskets, provided books for kids, collected cell phones, and hosted golf tournaments all to benefit the women and children at Friendship Home. On October 2, their commitment to this community will be on display with their event sponsorship of Friendship Home's 9th annual Safe Quarters drive. This sponsorship underscores Verizon's company-wide support for victims of domestic violence. The Staff at Friendship Home is honored to partner with such a fine and charitable corporation.

Partners in Friendship

With caring donors like you, the women and children at Friendship Home had a hope-filled spring! Here are some examples of the creative ways you've helped the women and children at Friendship Home.

The summer heat did not stop many loyal Friendship Home supporters in their efforts to raise money, collect needed items, or donate their time and services. Here are some ways that you continued making the women and children at Friendship Home a priority despite your busy summer schedules.

Many landscaping changes were finished outside of Friendship Home's walls. **City Impact Youth Group** coordinated the children's backyard improvement project, with help from **Hofeling Enterprises** who donated truckloads of mulch, and workers from **Lincoln Berean Church** who installed the retaining wall around the play structure. **Paula Luther**, master gardener volunteer, brought color and life to shelter by planting flowers pots and boxes at our shelter entrances. **Nebraska Wesleyan Students** participating in Lend a Hand Day did some outdoor clean up and yard work at shelter.

Inside the shelters, several other improvement projects took place, thanks to the help of volunteers like you. **Wilderness Construction**, led by **Tracy Baker**, provided the labor and

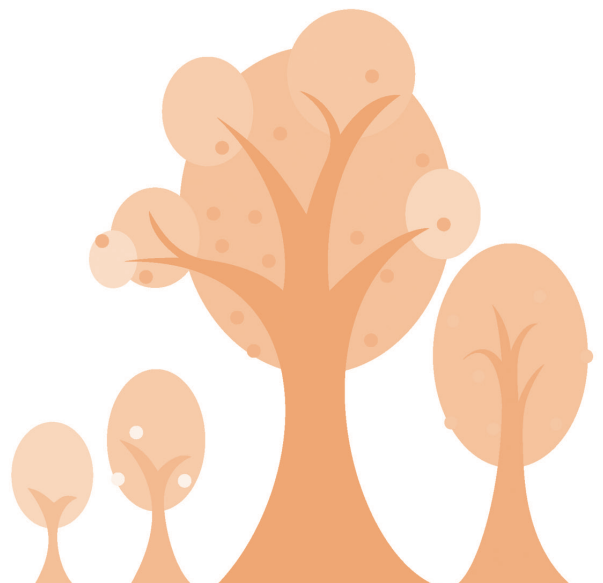

supplies to install a new floor and decorate the entryway to one of our shelters. **P.E.O. Chapter ES** cleaned and organized, and **Bob and Gwen** continue to pick up recyclables at both shelters and take them to recycling centers.

Susan Craig with **BeautiControl** continues to provide spa nights for women in shelter, while **Tina** and her **Therapy Dog Tank** meet with children during group activities. The **UNL Student Artist Portraiture Project** finalized in August.

Several organizations city-wide creatively raised money for Friendship Home. Employees from **Nationwide Insurance** participated in their annual walkNationwide, with donations being sent to the employees' charity of choice. The **Immanuel Lutheran Womens Missionary League** hosted a Salad Supper Fundraiser, of which Friendship Home was the beneficiary. Employees from **Lincoln Federal Savings Bank** donated money to Friendship Home by "buying" casual days through their "Casual for a Cause" event. The **Chrome Divas of Southeast Nebraska** held a bingo run over 150 miles

KFRX deejays Matt, Lindsey and Chi with the 2011 Estrogen Open Winners

throughout Lincoln, followed by a party with raffle prizes and a silent auction, raising funds for Friendship Home. Golfing was in full swing for those who participated in three golf tournaments for Friendship Home over the summer. The **5th Annual Verizon Wireless Golf Tournament**, **KFRX's 2011 Estrogen Open at the West Nine at Firethorn**, and the 5th Annual Golf Tourney, the **Ortho Open** held by **Lincoln Orthopaedic Center** all benefitted the women and children at Friendship Home. Members of **Waverly High School's FCCLA Club** raised funds for Friendship Home, along with **Lancaster Learning Link** students who held an Art Show. The **Maxey Elementary School Student Council** sold school supplies and donated the proceeds to Friendship Home.

Women and children in shelter were kept fed, clothed, safe, and entertained with items donated through various activities and organizations. **Scott Grossenbacher** worked with Lincoln

Belgium on the donation of bikes for residents of shelter. **Linda Hemmingsen**, along with her group at **Edward Jones**, collected several grocery sacks of food, and the members of **P.E.O. Chapter BY** collected a plethora of breakfast items for residents. **Verizon Wireless Customer Call Center** employees collected school supplies for kids heading back to school. Owners of **Cupcakes and More** have been donating sweet treats to fill the tummies of residents. **St. Luke's United Methodist Church** collected items through their Christmas in July Fundraiser, and students in **UNL's Communications 210 Class** also donated several much-needed items for shelter residents. **Nikky** from **Chicks Dig Deals** held an items drive for Friendship Home, and **Sewing for Babies** knitted blankets, sweaters, and socks for residents. The **UNL Panhellenic Council** asked their rush candidates to bring new items for shelter to rush week. The young recruits answered the call and filled a moving truck with items!

Sincere Thanks to Our Donors

Friendship Home thanks its contributors for their generosity. The following list reflects contributions between May 16, 2011 and August 15, 2011. All donations help provide safe shelter, support, advocacy and comprehensive services for battered women and their children. Contact the Development Office at 402.434.0163 or by email to taras@friendshiphome.org with any questions or concerns.
